Need an unlimited plan for your small business? We've got that, too.

[Learn more >](#)

You deserve an unlimited plan on a network that has the best of everything.

From the widest coverage to exclusive devices, make the most of your plan on Verizon.

Never letting you down is our #1 goal.

We know you need a network you can count on, and that's why we'll always work hard to stay #1.

#1 Overall network

Rootmetrics just ranked us the #1 overall network in the U.S. for the 8th time in a row.

Fastest mobile network

For 3 years in a row, PC Mag awarded us Fastest Mobile Network.

Highest in Wireless Network Quality Performance

For the 18th time in a row, Verizon received more awards than any other provider in the J.D. Power Wireless Network Quality study.

#1 Network performance satisfaction

Verizon received Nielsen's award for network satisfaction for 35 quarters in a row. That's 8 years running.

And just for being with Verizon, you'll get rewards you really, really want.

We created Verizon Up so you could get rewarded just for being you (and choosing us). With everyday perks, once-in-a-lifetime experiences, and new surprises, it's a rewards program like no other—no points, fees or levels required.
